Vision & Values

Vision

To work in partnership with our communities to improve the health status of all, with particular emphasis on Maaori and Pacific peoples and other communities with health inequalities.

We will do this by leading the development of an improved system of healthcare that is more accessible and better integrated.

We will dedicate ourselves to serving our patients and communities by ensuring the delivery of both quality focussed and cost effective healthcare, at the right place, right time and right setting.

Counties Manukau District Health Board will be a leader in the delivery of successful secondary and tertiary health care, and supporting primary and community care.

Values

Care & Respect

Treating people with respect and dignity; valuing individual and cultural differences and diversity

Teamwork

Achieving success by working together and valuing each other's skills and contributions

Professionalism

Acting with integrity and embracing the highest ethical standards

Innovation

Constantly seeking and striving for new ideas and solutions

Responsibility

Using and developing our capabilities to achieve outstanding results and taking accountability for our individual and collective actions

Partnership

Working alongside and encouraging others in health and related sectors to ensure a common focus on, and strategies for achieving health gain and independence for our population
