Counties Manukau District Health Board (CMDHB) is pleased to host the Pasefika LotuMoui Health Symposium 2006. The two-day event will target leaders of churches, religious and faith groups of Pacific communities in the Counties Manukau District. The inspiration for LotuMoui arose from the many community meetings where Pacific peoples expressed the importance for organisations and agencies such as CMDHB to work alongside Pacific churches to have effective reach and connection with Pacific individuals and families.
