- People interested in and associated with H&S with DHBs of New Zealand (ie managers, H&S Reps)
- Students of H&S
- OH&S practitioners in residential care facilities and private hospitals

About the conference:

The three DHB's in Auckland are delighted to present this years OH&S Conference. The conference will run in conjunction with the a Manual Handling Workshop to be held day one of the National Conference.

The National DHB OH&S Conference is an annual event that has been occurring since 1994. OH&S practitioners from all DHBs across new Zealand attend this event. The conference host location alternates between the north and south islands., last year (2006) it was hosted by Canterbury DHB and held in Christchurch. The conference is held over two days and generally has a key theme that speakers are invited to address various facets of. The overarching purpose of the conference is to provide a professional development and networking opportunity to OH&S professional working within the DHBs of New Zealand. In addition the conference is an opportunity for open forum discussion of H&S practice within New Zealand with a view to achieving consistent, evidence based best practice across the country.
