Speaker Biography

Carl Stent

For the past 12 years Carl has been dedicated to going the 'extra mile' to create and assist value adding activity for the business of human value risk management. Integrated approaches and relationship management is where he has worked particularly hard with a keen focus on innovation and creativity to risk management of employee value propositions for workers compensation programmes such as ACC and absenteeism management. Carl brings experiences from the following workplaces.

1. **Self Employed Risk Management Consultancy** focussed on self management of workers' compensation risk and integrated employee benefit management often involved directly in Wellbeing programme development.
 - NZ Rugby Union, Fonterra, NZ Institute of Management, IHC, Wellington City Council, EDS (NZ) Ltd, NZ Post, Air New Zealand and Fletcher Building Limited.
2. **Employment in Employee Wellbeing, ACC, Sales, Marketing and Relationship Management** focusing Health, Safety, Wellbeing and Workers' Compensation.
 - Department of Corrections, The Salvation Army, Healthcare of NZ, Ministry Of Social Development, Landcare Research, Westpac Trust Bank, Bank of New Zealand, Department of Conservation, NZ Fire Service, NZ Defence Force, NZ Rugby Union, EDS (NZ) Limited, Harbour Side Investments, Capital and Coast District Health Board, Trans Rail NZ, Air New Zealand, Wellington City Council, Steel and Tube Group, Public Service Association, Department of Child Youth and Family, Serco Group, Motor Trade Association, @Work Insurance, Farmers Mutual Group, Progressive Enterprises, Sealed Air Limited, Fletcher Challenge Limited, Sky City Group, CRM Impac, IHC, Managed Healthcare Systems (South Africa), ACC Corporate and Porirua ACC Branch
