

Biography

Dr Scott Young

Co-Executive Director of Care Management Institute

Kaiser Permanente – USA (by video link to US)

Scott Young, MD, is the senior medical director and co-executive director of Kaiser Permanente's Care Management Institute (CMI). At CMI he leads a nationwide team, integral to Kaiser Permanente's commitment to improve the care and wellness of 8.7 million members.

Scott is the former director for Health Information Technology at the Agency for Healthcare Research and Quality (AHRQ). Prior to joining AHRQ, he served as a senior clinical advisor in the Centres for Medicare and Medicaid Services. Scott's policy experience also includes service as a Robert Wood Johnson health policy fellow in the Office of Senator Jeff Bingaman.

Scott is the former executive vice president of the Utah HealthCare Institute, a not-for-profit organization providing clinical care, outreach programs, medical education, research, informatics, and health policy services. He is also a founding member of Intermountain Health Care's Utah Valley Family Practice Residency.

He received his medical degree from the University of Oklahoma in 1987 and completed his training at the Fairfax Family Practice Residency. He is board certified in family medicine and a fellow of the American Academy of Family Physicians.
